

# The Toolbox X MCAD

Tools that students must provide for themselves, aka "The Toolbox." For most foundations classes, there are a number of supplies that the students must purchase for themselves. This is to ensure that the tools are kept in good shape and are not lost or borrowed indefinitely. These tools can all be purchased for relatively cheap at Harbor Freight or Ace Hardware.

Scissors

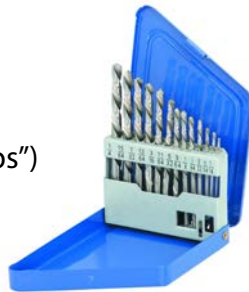

Ball-Pein or Claw Hammer

Screwdriver set (Standard and Phillips, P1, P2 & P3)
